

# Winning with CCW **LEVEL II** When It Counts

Monday, September 14, 2015  
The class is for Level I graduates only.

Invitation only

## Why take this class?

This class goes above and beyond every CCW class with a real life approach that will enable you to face a threat with confidence and skill. We will teach you about defending yourself at close quarters.

A large percentage of all self defense with a gun (LE and otherwise) is from less than 3 yards. You will practice in a cramped space and at close range (very common) and in crowded conditions.

You will understand **why** to practice certain moves and we will show you **how** to do it. You will work as a bad guy and a defender to clearly illustrate why awareness is so critical.

An assailant can attack you within 1/2 second at 3 yards. How will you defend yourself?

We will show you **what** to do to dominate and prevail in these real situations.

We will have a CA attorney to speak plainly about the law and self-defense with a gun. There will be a brief question and answer period.

The class will be at Prado Family Shooting Park in the Pistol range in Bay3.  
Class starts at 8:15am sharp. Be early to sign in.

Bring lunch, we will supply water. You will not be leaving the range for lunch.

Bring 150 rounds for your carry gun. It does not have to be your carry ammo.  
We recommend that you bring 20 rounds of your carry ammo.  
Bring at least two magazines. More is OK.

Pre-registration and payment is required.  
The class is \$299 (includes range fee). No refunds after 9/7/2015.
